✓ **Photo upload successful**

Please check the following:

- Autumn Leaves.jpg was uploaded successfully and just waiting for approval.

Once uploaded successfully you will see a confirmation message like this

List of photos waiting for approval (1)

Check all / Uncheck all With selected: Delete

This screenshot shows a list of photos waiting for approval. At the top, there is a header 'List of photos waiting for approval (1)'. Below this, there are controls: 'Check all / Uncheck all', 'With selected:', and a 'Delete' button. A single photo is displayed in a frame, showing a landscape with a tree and yellow leaves. Below the photo are two small icons: a trash can and a flag.

Your photos uploaded will also be on this list. (Note: Uploaded photos are subjected to screening. Once approved, that's the time other members can view your photos)

## Add / Manage Photos

You have (1) approved/viewable photos.

Check all / Uncheck all With selected: Delete (NOTE: Click the  icon below a photo to set it as your primary photo.)

This screenshot shows the 'Add / Manage Photos' page. It features the same header and navigation as the previous screenshot. Below the navigation, there is a section titled 'Add / Manage Photos'. Underneath, it says 'You have (1) approved/viewable photos.' There are controls: 'Check all / Uncheck all', 'With selected:', and a 'Delete' button. A note says '(NOTE: Click the  icon below a photo to set it as your primary photo.)'. A single photo is displayed in a frame, showing a landscape with a tree and yellow leaves. Below the photo are three small icons: a flag, a trash can, and a square.

Once we review your uploaded photos and found that you have met all the requirements, other members can now view your photos.
